

Good evening Members of Kanawha,

If you're anything like us, you've been counting down the days until this weekend. Unfortunately for us, Mother Nature has other plans. Saturday's rain to snow mix will turn into a very deep freeze early Sunday that will persist into the day. We rarely run into situations like this, but when we do, we need to be cognizant of turf health, especially avoiding any root shear while the profile thaws. The course and practice areas will remain closed this weekend. Looking at the forecast we will open for play and practice no later than 11:00 a.m. Monday morning.

The clubhouse will be open each day this weekend from 9:00 am - 6:00 pm. So, if you want to stop by for a visit or catch some of the action at The Players Championship you are welcome to do so!

Thanks for your understanding and we look forward to seeing everyone on the course soon.

Paul & Lance
