Spring Tune Up Instruction with Lance!

Plan on getting a head start on your game this spring with one of these lesson packages, available April-May.

Introduction to the Game

If you are new to the game or want to get a refresher of your fundamentals, a 4 session package will cover all areas of the game in a one on one setting. Each session will be approximately 1 hour.

Price: \$200.00

- First, we will start with putting, creating a sound set-up, reading greens and practice drills.
- Short game shots around the green will be next, which will introduce you to how the ball gets in the air and learn how to control distance.
- On the third session we will move to the practice tee to work on your full swing and practice habits.
- We will wrap up the program with a 3 hole playing lesson to cover common rules and etiquette and hopefully get you comfortable to play on

your own and with family and friends at Kanawha.

Players Package

If you are currently a student, this 4 session package will kick start your season and bring you back up to speed on what you were working on last season and more.

Price: \$240.00

- We will work on your short game and develop the best strategy for you around the green.
- Next, we will work extensively on your sand game.
